

**Good Night**

Magnetic Fridge Texting

**Project Overview:**

Part of the Transformation Game Design Class

Usergroup: Nightshift workers and their families

less overlapping waking hours

**Goal:** Enable meaningful conversation between families with

board, and others react to their message. Ambiguity

Gameplay: User's explain day using emojis and physical

clarified in person

**My Contribution + Key Team Efforts:**

Pop-up Research\*

Helping moderate user testing

Developed what it means to use ambiguity effectively\*

Simplifying features of game based feedback

Keeping project grounded in transformational games

Rapid physical prototyping\*

Creating deliverables that explain, design, present,

and connection to theory
